

# Flash in the Dark

## Katzenjammer

These are the things that I love in life  
Songs of a war and a Friday night  
So close to you  
In the car, in the dark, aha  
I play the local hero part  
Eyes fixed on me, I never let you down  
So this is it  
I want more  
A big score, ahaDown through the ribbon highway I will go  
Searching for a brighter spotlight, a brighter sun  
I am out on the open road  
I'm more than a kick, and I'm more than a spark  
I'm more than a flash in the darkA brighth new morning in Neonville  
In my cowboy boots and my leotard  
I've got my lips all red  
The drama's on, aha  
The day has burned out at the quickest pace  
I wanted to win, but I lost the race  
So this is it  
I want more  
The noble floor, ahaDown through the ribbon highway I will go  
Searching for a brighter spotlight, a brighter sun  
I am out on the open road  
I'm more than a kick, and I'm more than a spark  
I'm more than a flash in the darkI am more, I am more than a flash in the dark  
I am more, I am more than a flash in the dark  
I am more, I am more than a flash in the dark  
I am more, I am moreDown through the ribbon highway I will go  
Searching for a brighter spotlight, a brighter sun  
I am out on the open road  
I'm more than a kick, and I'm more than a spark  
I'm more than a flash in the darkDown through the ribbon highway I will go  
Searching for a brighter spotlight, a brighter sun  
I am out on the open road  
I'm more than a kick, and I'm more than a spark  
I'm more than a flash in the dark
