

# He Made a Change

## Inspirations

From the very first day I entered this world, I was in sin.  
My life had no hope, I could not find peace within.  
Then I heard of a savior who came & died so I could go free.  
I opened my heart; I let Him come live down inside of me.

He made a change in my soul. He made a change.  
When I was stumbling down sinâ€™s road, He turned me around.  
Now I am standing on solid ground, & I am heaven bound.  
I am so glad He made a change down deep in my soul.

Now if you are stumbling in the dark & your soul is bound,  
friend let me tell you of a source that I have found.  
Just as He did for me back then, Heâ€™ll do for you.  
Heâ€™ll take your old heart, cleanse it within, Heâ€™ll make you brand new.

He made a change in my soul. He made a change.  
When I was stumbling down sinâ€™s road, He turned me around.  
Now I am standing on solid ground, & I am heaven bound.  
I am so glad He made a change down deep in my soul.

Now I am standing on solid ground, & I am heaven bound.  
I am so glad He made a change down deep in my soul.  
Down deep in my soul, He made a change.
