

# Every Time I Think Of You

## The Babys

Everytime I think of you  
It always turns out good  
Everytime I've held you  
I thought you understood  
People say a love like ours  
Will surely pass  
But I know a love like ours  
Will last and last  
But maybe I was wrong, not knowing how our love should go  
(How our love, how our love should go?)  
But I wasn't wrong in knowing, how our love would grow  
(How our love, how our love would grow?)  
And everytime I think of you  
(Everytime)  
Everytime I think of you  
(Every single time)  
It always turns out good  
Seasons come and seasons go  
But our love will never die  
Let me hold you darlin'  
So you won't cry 'Cause people say that our love affair  
Will never last  
But we know a love like ours  
Will never pass  
But maybe I was wrong, not knowing how our love should go  
(How our love, how our love should go?)  
But I wasn't wrong in knowing, how our love would grow  
(How our love, how our love would grow?)  
And everytime I think of you  
(Everytime)  
Everytime I think of you  
(Every single time)  
It always turns out good  
People say a love like ours  
Will surely pass  
But I know a love like ours  
Will last and last  
But maybe I was wrong, not knowing how our love should go  
(How our love, how our love should go?)  
But I wasn't wrong in knowing, how our love would grow  
(How our love, how our love would grow?)  
Everytime I think of you  
Everytime I think of you  
It always turns out good  
Everytime I think of you  
Everytime I think of you  
Everytime I think of you
