Familiar Faces

Incubus

Where'd my heroes go
Did they change or did I
Man it gets me, gets me every time
The punch is spiked
and I want to keep the lights on(Chorus)
This place is so familiar
Your face is so familiar
This place is so
Your face is so
So familiarI miss them golden days
When I could trust not fight
Now it hits me right between the eyes
Familiar faces rally around a light(Chorus)
This place is so familiar
Your face is so familiar
This place is so
Your face is so
So familiarHere we go wild
It's time for you to come out of hibernation
Here we go wild
It's time for you to come out of hibernationThe world has gone wild
It's time for us to come out of hibernation
The world has gone wild
It's time for us to come out of hibernation(Chorus)
This place is so familiar
Your face is so familiar
This place is so
Your face is soHow many tries before we get it right
Right
Get it
Right
Get it
