Party In Your Bedroom (Sega Genesis Remix)

Cash Cash

There's a party in your bedroom all night long
There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're aloneThere's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're alone
Lips sealed tight, don't say goodnightWalkin' down the street, keepin' hush, hush on the scene
No one knows you, such a mystery
Opposite of fun 'til you turn the power on
Then you come out turnin' up the heatUpstairs all alone, one click for a show
Your roof is on fire, you're losing controlThere's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're alone
Lips sealed tight don't say goodnightDancing with your hands turning strangers into friends
Touch the keys please and unlock my heart
You're free to be a freak, change your picture every week
Show the camera you're a super starUpstairs all alone, one click for a show
Your roof is on fire, you're losing controlThere's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're aloneThere's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're alone
Lips sealed tight don't say goodnightIt's no debate, when I think of you can't stay on track
Cause I can't wait, can't stay on track, can't hide the fact
You're all I want, you're all I need
Let's get this party started, kick it hard just you and meThere's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're aloneThere's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl it's a show, let it go when you're alone
Lips sealed tight don't say goodnight
