

# Wet The Bed

Chris Brown

Whoo

Hear the sound of your body drip, drip, drip  
As I kiss both sexy lip, lip, lips

Wow

Hear the sound of your body drip, drip, drip  
As I kiss both sexy lip, lip, lips

I ain't afraid to drown

If that means I'm deep up in your ocean, yes

Girl, I'll drink you down

Sippin' on your body all night

I just wanna take your legs and wrap 'em 'round

Girl, you're comin' right now

My head to your chest feelin' your heartbeat, girl

Swimmin' all in your sea

And you sweatin' all over me

Bendin' forward, don't you run, girl

I don't want to be a minute man

Baby, you're just like a

Storm rainin' on me, girl, your soakin' wet

I'mma kiss you right, yeah, yeah

I'm gon' lick all night, yeah, yeah

Girl, when I'm inside yeah, yeah

Yeah, girl, you heard what I said

I'm gonna make you wet the bed

Yeah, yeah, I'm gonna make you wet the bed

Yeah, yeah, I'm gonna make you wet the bed

Yeah, yeah, I'mma put your legs behind your head

When I make you wet the bed

You don't know what you in for

'Bout to get inside your mental, huh

Bend you back like it's limbo

I'mma make you feel like a nympho

Tonight, oh, you're mine, baby girl, uh

Anytime you want it, I'm ready and willin', gotta give it

I start to lickin' on your body, you go to tremblin'

Move it around, girl, let me get it from the side

And can I visit all those spots you like

Your neck, your back, your sexy lips, booty and thighs?

I don't want to be a minute man

Baby, you're just like a  
Storm rainin' on me, girl, your soakin' wet  
I'mma kiss you right, yeah, yeah  
I'm gon' lick all night, yeah, yeah  
Girl, when I'm inside yeah, yeah  
Yeah, girl, you heard what I said  
I'm gonna make you wet the bed  
Yeah, yeah, I'm gonna make you wet the bed  
Yeah, yeah, I'm gonna make you wet the bed  
Yeah, yeah, I'mma put your legs behind your head  
When I make you wet the bed  
I'mma make your body wetter than ever, we'll get together  
You can tell as soon as I approach her  
When you feelin' uptight, get it right  
Don't fight, lighten up like Sammy Sosa  
Women call me the super soaker  
And I'mma soak your bed to death  
(Don't stop)  
How long can you hold your breath  
(Oh)  
Asthma attackin'  
Wakin' up wonderin' what happened  
Makin' me hot like Toni Braxton  
You can't deny you wanna break my back in  
Two, what you wanna do  
Look at you with your birthday suit, suit, suit, suit  
The forecast said it's cloudy tonight  
And I'mma have your body like bloop, bloop, bloop, bloop  
I'mma kiss you right, yeah, yeah  
I'm gon' lick all night, yeah, yeah  
Girl, when I'm inside yeah, yeah  
Yeah, girl, you heard what I said  
I'm gonna make you wet the bed  
Yeah, yeah, I'm gonna make you wet the bed  
Yeah, yeah, I'm gonna make you wet the bed  
Yeah, yeah, I'mma put your legs behind your head  
When I make you wet the bed  
Hear the sound of your body drip, drip, drip  
As I kiss both sexy lips, lips, lips  
Hear the sound of your body drip, drip, drip  
As I kiss both sexy lips, lips, lips
