

Just Call Me Lonesome (Remastered)

Kitty Wells & Red Foley

Why must I love the heartless one
Who'll never know the harm she's done?
Though love is blind I should have known
Just call me lonesome from now onI climb the stairs up to my room
But no one meets me in my gloom
The silence tells me she is gone
Just call me lonesome from now onThese walls will hide me when I cry
I feel so lonely I could die
What good is life when hope is gone
Just call me lonesome from now on
I pray my memories at last
Will fade into the distant past
If I must live and love alone
Just call me lonesome from now on
