

# Broken Heart

**Axel Rudi Pell**

[Music: Axel Rudi Pell]

[Lyrics: Axel Rudi Pell] I'm lost in a dream, with a mind's full of sadness,  
I remember the good times, that we had in our madness,  
frozen tears with illusions of fire,  
all of my life was filled with desire Oh I wish we could go back to where we started,  
Love, lost love, you're so cold, cold hearted,  
the fire in your eyes gets me out of my mind,  
how could it be, that you're so blind Hunting the shadow, that was lost in the past  
like a soldier of fortune, who's life couldn't last,  
falling tears, from a love's not in vain  
time tells no lies, could our love come back again [Repeat Bridge] Don't leave me alone  
with my broken heart  
can't you see, that I've loved you from the start  
Don't leave me alone  
with my broken heart  
can't you see, that I've loved you from the start [Repeat Chorus]
