

# The Other Night Blues

**B.B. King**

Well I dream I heard you cry  
Babe, but I heard you call my name  
Well I dream I heard you cry, darling  
Babe, but I heard you call my name  
Well, it had to be you  
Baby, to call so lonesome and plain  
The other night when we were lovin`  
Babe, I held you in my arms  
Yes, when we were lovin`, darlin`  
Babe, I held you in my arms  
Well, you told me that you love me  
And no-one else would do me no harm  
Well, you told me a lie  
Babe, and you told me goodbye  
Oh, you told me a lie  
Darlin`, and you told me goodbye  
Well now, it`s all your worry baby  
And you have no need to cry
