

Bop 'Til You Drop

[Rick Springfield](#)

Bop 'til you drop in the hot city
Keep on working day and night
Don't stop 'til you get what you want Bop 'til you drop 'til you're sittin' pretty
Burn the candle, burn it bright
Love won't, love won't wait You wake up wired and draw your makeup
And the city breathes and the city jumps to life
Lately it seems your time is all used up
Chasing dreams of money and the good life But there is something you've been thinking of
Lately, you're feeling the power of love
Everybody says it's so hard to hold
The alarm rings, you gotta get up, you gotta get up Bop 'til you drop in the hot city
Keep on working day and night
Don't stop 'til you get what you want Bop 'til you drop 'til you're sittin' pretty
Burn the candle, burn it bright
Love won't, love won't wait People say you're the lucky one
But you don't believe it and you want to stop
And you want to take some time
To sus' out a feeling and look for a reason
And the flesh is weak but the spirit is willing 'Cause there is something you've been thinking of
Lately you're feeling the power of love
Everybody says it's so so hard to hold
The alarm rings you gotta get up, you gotta get up Bop 'til you drop in the hot city
Keep on working day and night
Don't stop 'til you get what you want Bop 'til you drop 'til you're sittin' pretty
Burn the candle, burn it bright
Love won't, love won't wait There is something you've been thinking of
Lately you're feeling the power of love
Everybody says it's so so hard to hold
The alarm rings, you've gotta get up, you've gotta get up Bop 'til you drop in the hot city
Keep on working day and night
Bop 'til you drop, bop, bop 'til you drop, bop
Bop 'til you drop, bop, bop 'til you drop, bop Oh, bop 'til you drop in the hot city
Keep on working day and night
Don't stop 'til you get what you want Bop 'til you drop 'til you're sittin' pretty
Burn the candle, burn it bright
Love won't, love won't wait Bop 'til you drop in the hot city
Keep on working day and night
Don't stop 'til you get what you want Bop 'til you drop 'til you're sittin' pretty
Burn the candle, burn it bright

Love won't, love won't wait Oh, bop 'til you drop
