

Just Another Day

Erin Mccarley

Ooouu ouu ouu
Bat, bat I bat my eyes for that
That, that what I can't catch
Oh, it's drivin' me crazy

Work, work I work the whole day long
Longest ever song
I sing it louder cause maybe

I could be the next one up the ladder
Show me something clever

Paint the moon
Paint the town
Make it loud
It's just another day

Stomach growls
With hopes of being found
In the crowd
It's just another day

Lace my ties
And cut my hair again
I get swine
My mind turns off again
Ouu It's just another

Drink, drink, drink my whisky neat
Neat, neat to please the boy's club
Which one of you is the leader

Nub, nub the dummy has his thumb
Down, down on everyone
Hey, where are all the dreamers?

I could be the next one to walk on water
I close my eyes and stubble down the way
It's just another day

Paint the moon
Paint the town
Make it loud
It's just another day

Stomach growls
With hopes of being found
In the crowd
It's just another day

Lace my ties
And cut my hair again
I get swine
My mind turns off again
Ouu It's just another

Ou ou ou ou ou
Ou ou ou ou ou
Ou ou ou ou ou
Ou ou ou ou ou
Ou ou ou ou ou

Paint the moon
Paint the town
Make it loud
It's just another day

Stomach growls
With hopes of being found
In the crowd
It's just another day

Lace my ties
And cut my hair again
I get swine
My mind turns off again
Ouu It's just another day

Paint the moon
Paint the town
Make it loud
It's just another day

Stomach growls
With hopes of being found
In the crowd

It's just another day

Lace my ties

And cut my hair again

I get swine

My mind turns off again

Ouu It's just another day

It's just another
