I Will Be There For You

Jessica Andrews

When I lost faith, you believed in me
When I stumbled, you were right there
For every act of love you've done, I owe you oneThere were hard times, I know I survived
Just because you stayed by my side
With all I have, with all I am I promise you all my lifeWhenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you, oh I will be there for youThrough sorrow, on the darkest night
When there's heartache deep down inside
Just like a prayer you will be there
And I promise you all my lifeWhenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you, oh I will be thereWhenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you, oh yes I will be there for you
I'll always be there
