

# Bright Lights (Feat. Pixie Lott)

Tinchy Stryder

Flash lights and the good life, keep calling out my name  
And I pray somehow something's gonna change  
Bright lights in the skyline, let me lose me way  
'Cause I know somehow something's gonna change Uh, uh, from the ground to the sky  
And it wasn't overnight  
Strydes Last time running never went too well  
Heart saying carry on, head telling me forfeit  
Glimpse of the high life, I wish I never saw this  
Now I want it all, want it all, I'm selfish Felt locked down like I caught a death sentence  
Like Alan Sugar fired me from The Apprentice  
See my little weight, I must've lost half  
Even Nando's won't send me a new black card And there's all opinions and assumptions  
Back to the grind and there's more where it comes from  
I love the life 'cause my life flash cameras on  
Tell Cheryl Cole and Rihanna that I love them From young I've been obsessed with the fame  
Know you're in lane 'cause your dreams were the same  
Every day I pray, really wishing for a change  
Dreams to reality and now I'm in the game Flash lights and the good life, keep calling out my name  
And I pray somehow something's gonna change  
Bright lights in the skyline won't let me lose me way  
'Cause I know somehow something's gonna change Tell me how you feel  
Do you love me or hate me, there's no pleasing everybody  
Need to focus, then he lost track, I'm really sorry  
Left the black clouds, bright lights got me feeling jolly  
Never let you down, that's my word you ain't gotta worry Work for this, don't know about you but I work for  
this  
Couple labels said I wasn't worth the risk  
Just another hoodrat hoodie with a black hat  
He's just one of them looking for a purse to nick Never really had a plan B  
Stayed on point, I am sharper than a Stanley  
Big star, flash car, looking trendy  
I know it's time to? From young I've been obsessed with the fame  
Know you're in lane 'cause your dreams were the same  
Every day I pray, really wishing for a change  
Dreams to reality and now I'm in the game Flash lights and the good life, keep calling out my name  
And I pray somehow something's gonna change  
Bright lights in the skyline won't let me lose me way  
'Cause I know somehow something's gonna change Let me tell you when to take it down  
This is the part where the song breaks down

Stay looking up, never facing down  
Long as the bright lights are blazing downFlash lights and the good life, keep calling out my name  
And I pray somehow something's gonna change  
Bright lights in the skyline won't let me lose me way  
'Cause I know somehow something's gonna changeHa ha, like that
