

# What I Gotta Do

## Mint Condition

Hey yo, hey Batman  
What's up Chris, yo?  
I know she's cheating on you  
Yeah man, don't worry about it, do your thang  
I don't know why she's tripping me  
I do what I gotta do  
I keep telling her a man's got to be a man  
And when I'm through I'll come home to you  
Peep this out, can't even hang around the crew  
'Cause she be tripping on you, always explaining things to her  
What are you gonna do?  
(I don't know why she's tripping)  
I don't know why she's tripping me  
I do what I gotta do  
I keep telling her a man's got to be a man  
And when I'm through I'll come home to you  
Listen, always complaining  
I can't take none of this no more, oh  
Caught in it constantly  
Baby, you're pushing me away  
I don't know why she's tripping me  
I do what I gotta do  
I keep telling her a man's got to be a man  
And when I'm through I'll come home to you  
I don't know why she's tripping me  
I do what I gotta do  
I keep telling her a man's got to be a man  
And when I'm through I'll come home to you  
You didn't have to go there, why you acting like that?  
Just getting in my space, I promise I'ma keep ya laced  
I got get this fedio but do you hear me yo?  
So we can lay in condos in Orlando  
So let me chill with my niggas for a minute  
When I get home, I'm going straight up in it  
To win it and won't quit it, tell me are you gonna deal with it?  
If not you know what boo, I think we ought to split it  
I don't know why she's tripping me  
I do what I gotta do  
I keep telling her a man's got to be a man

And when I'm through I'll come home to you
