One Way To Heaven

Brandon Heath

Everybody's searching for home
Staring at a hole in the sky
Poor man waiting on a break
Rich man looking for a ticket to buy
Something ties us together
All colors of the same race
Shadows of the same face
Looking upAin't no doorway
Or a stairway
Ain't no your way
Ain't no my way
Ain't no shortcut
Or a highway to HeavenAin't no jet plane
Ain't no fast car
Only one thing take you that far
Only one name
He's the one way to Heaven
One way to Heaven
One way to HeavenStraight and narrow is the road
That lays out before us
It's easy to lose our direction
Let love be the compass
Temptations are many
And the pitfalls are countless
There's only one way
He is the wayAin't no doorway
Or a stairway
Ain't no your way
Ain't no my way
Ain't no shortcut
Or a highway to HeavenAin't no jet plane
Ain't no fast car
Only one thing take you that far
Only one name
He's the one way to Heaven
One way to Heaven
One way to HeavenOnly one way
Only one way
Only one way to Heaven

Only one way
Only one way
Only one way to HeavenAin't no doorway
Or a stairway
Ain't no your way
Ain't no my way
Ain't no shortcut
Or a highway to HeavenAin't no jet plane
Ain't no fast car
Only one thing take you that far
Only one name
He's the one way to Heaven
One way to Heaven
One way to HeavenOnly one way
Only one way
Only one way
Ain't no doorway
Only one way
Ain't no your way
Only one way
Ain't no short cut
Only one way
One way to Heaven
