Love Is Dead

Small World

This is the hardest part
When you feel like you're fading
All that you have's become unreal
Collapsing and aching
All I want, all I want is right here
But love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
I know that you think of me when you're
Beside her, inside her
It must be so hard for you to
Deny it and hide it
Oh, all I want, all I want is right here
But love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
And love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
(Love is dead, love is gone, love don't live here anymore)
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
(Love is dead, love is gone, love don't live here anymore)
Love don't live here anymore
Love don't live here anymore
Love don't live here anymore
Love don't live here anymore
Love don't live here anymore
