

Cause You Love Me, Baby

Deniece Williams

There's nothin' better that I like to do
Than sitting here cuddled up next to you
'Cause you love me, baby
Just the way I want to be loved

It's so nice lying here in your arms
Your personality has that charm
And you love me, baby, 'Cause you love me, baby
Just the way I want to be loved, yeah, yeah

When I'm here with you
Are you happy too
I can plainly see
That you care all about me

Ooh, I could stay here for the rest of my life
I wanna be your lover, woman, maybe your wife
'Cause you love me, baby, 'Cause you love me, baby
Just the way I want to be loved

It's so nice lying here in your arms
Your personality has that charm
And you love me, baby, 'Cause you love me, baby
Just the way I want to be loved, yeah, yeah

'Cause when I'm here with you
Tell me are you happy too
Yes, I can plainly see
That you care, you care about me

There ain't nothin' better than I wanna do
Than sit here, baby, cuddled up, cuddled up next to you
'Cause you love me, baby, 'Cause you love me, baby
Just the way I want to be loved, yeah, yeah

'Cause you love me, baby, 'Cause you love me, baby
Just the way I want to be loved forever, forever, yeah, yeah, yeah, yeah

'Cause you love me, baby, 'Cause you love me, baby
You love me, baby

You love me the way no other could love me, yeah
You love me, baby, just the way, just the way I wanted to be loved

'Cause you love me, baby, 'Cause you love me, baby
Yeah, you love me just the way, just the way I wanted to be loved
Yeah, yeah, yeah
You love me, baby, the way I want to be loved, yeah, yeah

You love me, baby
Just the way
