

# Jamaica Jerk Off

Elton John

When she gets up in the morning  
It's enough to wake the dead  
Oh she turning on the radio  
And dancing on my head  
It's no good living in the sun  
Playing guitar all day  
Boogalooing with my friends  
In that erotic way Come on Jamaica  
In Jamaica all day  
Dancing with your darling  
Do Jamaica jerk-off that way  
Come on Jamaica  
Everybody say  
We're all happy in Jamaica  
Do Jamaica Jerk-off that way Let the ladies and the gentlemen  
Be as rude as they like  
On the beaches, oh in the jungle  
Where the people feel alright  
So do it Jamaica  
Got plenty for you and me  
Honky tonking with my baby  
In that deep blue sea
