

# Solve Et Coagula

## Mudvayne

Fire, fire  
I dissolve and solidify  
Destroy to recreate  
Disassemble to assemble something pure  
Our rubic sol-ve-et-co-ag-u-la  
Kill to be born again, cycled a thousand times  
Fire, planetary alchemy  
Fire, the time is here now  
Fire, four corners to rise  
Fire rise  
Fire, there's always loss within  
Fire, the cleansing it's time  
Fire, shooting arrows to the sky  
Fire  
I construct a new institution  
Not out of bricks, iron, cement, concrete  
Or steel  
Our rubic sol-ve-et-co-ag-u-la  
Distill to purify  
We've done it a thousand times  
Fire, planetary alchemy  
Fire, the time is here now  
Fire, four corners to rise  
Fire rise  
Fire, there's always loss within  
Fire, the cleansing it's time  
Fire, shooting arrows to the sky  
Fire  
Burn, bleed all the lives of life, ascend to the sky  
Burn, all the martyrs  
Burn, bleed all the lives of life, ascend to the sky  
Fire, planetary alchemy  
Fire, the time is here now  
Fire, four corners to rise  
Fire rise  
Fire, there's always loss within  
Fire, the cleansing it's time  
Fire, shooting arrows to the sky  
Fire
