A Design For Life

Top Gear

Libraries gave us power
Then work came and made us free
What price now
For a shallow piece of dignity
I wish I had a bottle
Right here in my dirty face
To wear the scars
To show from where I came
We don't talk about love
We only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for life
I wish I had a bottle
Right here in my pretty face
To wear the scars

To show from where I came
We don't talk about love
We only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for life
We don't talk about love
We only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for
