

January Hymn

The Decemberists

On a winter's Sunday I go
To clear away the snow
And green the ground below

April all an ocean away
Is this a better way to spend the day?
Keeping the winter at bay

What were the words I meant to say
Before you left
When I could see your breath lead
Where you were going to

Maybe I should just let it be
And maybe it will all come back to me
Seeing, oh, January, oh

How I lived a childhood in the snow
And all my teens in tow
Stuffed in strata of clothes

Hail the winter days after dark
Wandering the gray memorial park
A fleeting beating of hearts

What were the words I meant to say
Before she left
When I could see her breath lead
Where she was going to

Maybe I should just let it be
And maybe it will all come back to me
Seeing, oh, Janu...
Oh, January, oh
