

Oh My God

Ida Maria

Find a cure
find a cure for my life
Find a cure
find a cure for my life
Find a cure
find a cure for my life
Find a cure
find a cure for my life
Oh my god
oh you think Im in control
Oh my god
oh you think its all for fun
oh you think Im in control
Oh my god
oh you think its all for fun
pin a smile on my face
pin a smile
pin a smile on my face
pin a smile
pin a smile on my face
pin a smile
pin a smile on my face
put a prize
put a prize on my soul
Oh my god
oh you think Im in control
Oh my god
oh you think its all for fun
