

Montage

Mundell Lowe

The hours approaching, just give it your best
And you've got to reach your prime
That's when you need to put yourself to the test
And show us a passage of time We're gonna need a montage
(Montage)
Ooh it takes a montage
(Montage) Show a lot of things happening at once
Remind everyone of what's going on
(What's going on?)
And with every shot you show a little improvement
To show it all would take too long That's called a montage
(Montage)
Oh we want montage
(Montage) And anything that we want to go
From just a beginner to a pro
You need a montage
(Montage)
Even Rocky had a montage
(Montage) Montage
Montage Anything that we want to go
From just a beginner to a pro
You need a montage
(Montage)
Ooh it takes a montage
(Montage) Always fade out in a montage
If you fade out, it seems like more time
Has passed in a montage
Montage
