At The End (Ultrasun remix)

iio

When you're away, I'm feeling empty
I lose my mind
But when you're around, I take for granted
Most of our timeHoney you say that I'm cold
And sometimes I'm out of control
Baby, you know how I am, at the end, you're always mineI don't mean to when I hurt you
But I need you, I can show you
Just let me be when I'm crazy,
At the end you're still my only.
At the end [x3]Right when you're gone, I really miss you
You got my heart.
When you come back, I just want to kiss you
And it tears you apart.
Honey do make me stay,
Believe me it's better this way.
Baby I'm true and I'm real.
I'm giving you all that I feel.[Chorus x2]
Sweety, I'm trying my best,
To give you the most and the less.
Darling, I'm true and I'm real,
I'm giving you all that I feel.[Chorus x2]
