

Heavy Mellow

Chris Coco

When i think of you..

..start to cry

Wanna be with you

all the time

I meant to call you

to say that i was fine

I meant to call you

I never had the time

When i think of you...

...start to smile

and you're in this town again

stay with me a while

I meant to say i love you

i never got it right

i meant to say i love you

before i said goodbye
