

# I Had It Coming

## White Rabbits

It was a long shot, but never mind.  
It was the greatest mistake of all time.  
It wasn't wrong; it was completely wrong.  
But I'll go away.I had it coming (6x)I don't wanna get caught,  
I don't wanna get involved.  
I don't wanna keep running 'till I'm seen.  
I don't wanna give it back.  
I don't wanna get mad.  
I don't wanna keep running 'till I'm caught,  
You see...I had it coming (6x)  
All around...Have the operator call me down.  
I'd surrender without a sound.I don't wanna get caught,  
I don't wanna get involved,  
I don't wanna keep running 'til I'm seen.  
I don't wanna give it back.  
Has everybody gone mad?  
I don't wanna keep running 'til I'm caught,  
Oh, yes, indeed,I had it coming (6x)  
All around...  
I had it coming.  
I had it coming.  
I had it coming.  
I had...
