Who run the world? Girls!Hey, bring it on, baby, all your friends
You're the ish and I love that body
You wanna ball, explicit, I swear you're good, I won't tell nobody
You got a BFF, I wanna see that girl, it's all women invited
Hair do's and nails, that Louie, Chanel all up in the partyWhere dem girls at?
Where dem girls at?
Who run this mother?
Who run this mother?
Who run the world? Girls!
Who run the world? Girls!
Where dem girls at?We belong the light
We belong the thunder
We belong!
We belong, we belong together
We belong!Who are we? What we run?
Who run the world? Girls!
Who run the world? Girls!
(We belong)
Who are we? What do we run?
We run the world!
(We belong)When tomorrow comes, I'll be on my own
Feeling frightened of the things that I don't know
When tomorrow comes, when tomorrow comes
When tomorrow comes, when tomorrow comes
And though the road is long
I look up to the sky
Darkness all around
I hope that I could fly
Then I sing along, then I sing along
Then I sing along, then I sing alongI got all I need when I got you and I

Cause I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me, gettin' me through the night
You kickstart my heart when you're shinin' in my eyes
I can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me through the night
You're gettin' me through the night
Cause you're my flashlight, cause you're my flashlight
You're my flashlight, cause you're my flashlight
You're gettin' me through the nightI got all I need when I got you and I
Cause I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me through the night
You kickstart my heart when you're shinin' in my eyes
I can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me through the night
Cause you're my flashlight, cause you are
Cause you're my flashlight, cause you're my flashlight
You're my flashlight
You're gettin' me through the night
Oh, cause you're my flashlight, cause you're my
Gettin' me through the night
