

# **Lie Lie Lie**

## **BONNIE PINK**

La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
    My baby, my baby, let me know  
Because you love me, you love me, let me go  
    And you're my lover, you pay me  
Twice my size and on your knees you lay in my thighs  
    Take my hand and let's end it all  
She broke her little bones on the boulders below  
    Take my hand and let's end it all  
    My baby, my baby, let me go  
    And if you love me, you love me, let me go  
'Cause I'm your brother, your brother, have some pride  
    And now you love me, you love me then die tonight  
    Take my hand and let's end it all  
She broke her little bones on the boulders below  
    Take my hand and let's end it all  
    Broke her little bones on the boulders below  
    And while she fell I delightfully said  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        She took my hand and I let her go  
She broke her little bones on the boulders below  
    Took my hand and she ended it all  
    Broke her little bones on the boulders below  
    And while she fell I smiled  
        La, la, la, la, la, la, la, la, lie, lie, lie  
        La, la, la, la, la, la, la, la, lie, lie, lie

La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie  
La, la, la, la, la, la, la, la, lie, lie, lie
