

Tickin' Bomb

Shovels & Rope

I don't know you, but I know of you

And from what I know

I think I love you oh oh ooh

Oh!

You make me feel like I'm sitting right beside you,

If we ever met it's just no telling

What I might do

Oh oh ooh oh!

We'll Play my song, all night long

I'd be a ticking bomb,

Well, I'm bubbled up

Begging dog with my tongue, waw

I'm in my shell, and only you can make me come out.

Yeah, oh ohoooh.

We'll Play my song, all night long

I'd be a ticking bomb,

Ticking all night long.

We'll Play my song, all night long

I'd be a ticking bomb,

Ticking all night long.
