

Good Intentions (ft. Miguel)

Disclosure

Baby, you can believe me when I say I tried my best
But there's no other way
You deserve the world, I couldn't give you less But I'm not perfect the way you're perfect
And though it hurts, yeah, it hurts to say goodbye I know I let you down
It wasn't that your love wasn't good enough
Couldn't stick around
It's only in myself that I didn't trust
I had good intentions
I had good intentions And it's a shame
Oh, ironic that I went and put you through
I take the blame
'Cause the truth, there's really nothing you could do But I'm not perfect the way you're perfect
And though it hurts, yeah, it hurts to say goodbye I know I let you down
It wasn't that your love wasn't good enough
Couldn't stick around
It's only in myself that I didn't trust
I had good intentions
I had good intentions
I had good intentions
I But I'm not perfect the way you're perfect
And though it hurts, yeah, it hurts to say goodbye
But I'm not perfect the way you're perfect
And though it hurts, yeah, it hurts to say goodbye
