Desire

Anna Calvi

I wanna go to the sun
Hold my life like I've never done
But it's just the devil in me
The devil that's calling as I come undoneThe sky is getting dark tonight
Darker than the fear that's gonna pull us apart
The beating is the sound of love
The sound of love is beating like a fevered heartAnd it's the fire, the fire, the fire
It's heavenly, heavenly
Desire, desire
Desire, desireI wanna lay in the dust
The dust is gonna fall here when I lie
God knows it's just the devil in me
The devil that's taking my hand to the fireI never wanna leave you now
Leave you like the sun is gonna disappear
But it's just believing now
Believing in my heart is what I've come to fearAnd it's the fire, the fire, the fire
It's heavenly, heavenly
Desire, desire
Desire, desire
I've got desire, desire
I've got desire, desireAnd only the lonely
Only the lonely fall
Only the lonely
Only the lonely fall
FallOh, and I go to the fire
But God knows it's the sound of, it's the sound of love
It's the beat of my heart that you
Finally beating, it's coming, coming, coming for youAnd it's just the devil in me
It's just a door to the devil gathered in disguise
Taking me by the hand
And leading me, leading me off to the fireAnd it's the fire, the fire, the fire
It's heavenly, heavenly
Desire, desire
Desire, desireYou don't have to be lost
(Desire, desire)
You don't have to be lost
(Desire, desire)
You don't have to be lost
(Desire, desire)
