

# Don't Be Afraid (Sex You Down Some Mo' Version)

## Aaron Hall & Jeremy Lubbock

Now I lay me down to sleep  
I pray my Lord my soul to keep  
If I should die before I wake  
I pray my Lord my soul to take You'll be saying "Daddy" to me  
Boy please don't hurt me  
This is my first experience, baby  
Make it feel alright, don't worry baby Don't be afraid  
Don't be afraid  
Don't be afraid  
Don't be afraid, baby Don't be afraid  
Don't be afraid  
Don't be afraid  
Don't be afraid, girl  
When I lay you down tonight  
And I squeeze and hold you tight  
Everything will feel alright  
Don't be afraid, baby  
When you start to scratch and moan  
And your problems are long gone  
Let it happen right now  
Don't be afraid, girl Now I have you all to myself  
You can put all the other guys all on the shelf  
No need to run and no need to hide  
All the doors are locked baby and I have you inside  
You can yell and you can hit me  
It just makes me horny  
Ain't nothing but a love thing baby  
Between me and you  
So just give in baby, don't worry about a thing  
Don't be afraid  
Don't be afraid  
Don't be afraid  
Don't be afraid, baby Don't be afraid  
Don't be afraid  
Don't be afraid  
Don't be afraid, girl When I get through with you  
There's nobody else you will want to go to  
I put all men to shame  
Remember babe, this is all a nasty man's game Don't be afraid

Don't be afraid  
Don't be afraid  
Don't be afraid, babyDon't be afraid  
Don't be afraid  
Don't be afraid  
Don't be afraid, babyGee, I feel so lucky, got to have you in my arms  
But now its time to go beddy bye, no need for an alarm  
So go to sleep my baby  
Like I said, everything's alright  
Rest your head on my tattooed chest  
I know it feels real good  
Ooh wee baby, no need to be afraid  
The lights are off and I close the shades  
So kiss me baby I say, so one more time  
For the road baby, I'm rising again  
Give me the center baby, don't be afraidDon't be a-  
Don't be a-  
Don't be afraid, little girl  
Don't be a-  
Don't be a-  
Don't be afraid, little girl  
Don't be a-  
Don't be a-  
Don't be afraid, little girl  
Don't be a-  
Don't be a-  
Don't be afraid, little girl  
Don't be a-  
Don't be a-  
Don't be afraid, little girl
