

# Smiley

## DB Warren

You're on my side again  
You make me cry again  
Smiley You talk me round again  
Everything's left  
So untidy I'm not that strong  
Everything's easy  
Greezy You're not a bitch  
It's your job, tease me  
Push me Under your thumb  
Am i suffering  
From being tied? Keep it easy  
I'm not one to fight  
Close your mouth  
I'm not one to fight Don't be a friend to me  
Keep yourself far from me  
Smiley Make it easy  
I'm not one to fight  
Close your mouth  
I'm not one fight Uh...
