Dream Small

Josh Wilson

It's a momma singing songs about the Lord
It's a daddy spending family time that the world said he cannot afford
These simple moments change the world
It's a pastor at a tiny little Church
Forty years of loving on the broken and the hurt
These simple moments change the worldDream small
Don't buy the lie you've gotta do it all
Just let Jesus use you where you are
One day at a time
Live well
Loving God and others as yourself
Find little ways where only you can help
With His great love
A tiny rock can make a giant fall
Dream small
Cause visiting the widow down the street
Or dancing on a Friday with your friend with special needs
These simple moments change the world
Of course, there's nothing wrong with bigger dreams
Just don't miss the minutes on your way, your bigger things, no
'Cause these simple moments change the worldSo dream small
Don't buy the lie you've gotta do it all
Just let Jesus use you where you are
One day at a time
Live well
Loving God and others as yourself
Find little ways where only you can help
With His great love
A tiny rock can make a giant fall
So dream small
Keep loving, keep serving
Keep listening, keep learning
Keep praying, keep hoping
Keep seeking, keep searching
Out of these small things and watch them grow bigger
The God who does all things makes oceans... from riverSo dream small
Don't buy the lie you've gotta do it all
Just let Jesus use you where you are
One day at a time

Live well
Loving God and others as yourself
Find little ways where only you can help
With His great love
A tiny rock can make a giant fall...
Ya five loaves and two fish can feed them all
So dream small
Dream small
Ummm...
