The Honest Truth

Typhoon

Eternity will smile
Eternity will smile
Eternity will smile
On me

I never said I was honest
I never said I was honest
But I am true
And I am true

We all see something different
We all recall something different
When we watch the parade go marching through

So be kind to all of your neighbors
Be kind to all of your neighbors
â€˜Cuz theyâ€™re just like you
Theyâ€™re just like you

And youâ€™re nothing special
Unless they are too

All my time Iâ€™ve walked a filed line
I held a vacant sign upon my eyelids
Oh my time, oh Lord, Iâ€™ve been so blind
But now I see the light peep through my doorjamb

Hallelujah, it will be gone soon, yeah
It will be gone soon, yeah
It will be gone soon, yeah

Itâ€™s just an empty room
This is our darkest cave
Weâ€™ll never see the day
But slowly make our way up to the mouth

Youâ€™re gonna piss and moan
You let the devil in your home
You let the devil in your home

You let the devil in your home

Piss and moan
You let the devil in your home
You let the devil in your home
You let the devil in your home
Devil in your home
