Foolin' Around

Crocodiles

Hey look
What's that sound?
Everybody's just foolin' around
In the clubs
On them drugs
Everybody loves messin' upLet me know where you are
If you need some good advice
You know I'm not far
So don't be cold as ice, ohHey look
What's that sound?
Everybody's just foolin' around
Hey man
What looks good?
Let me see what's under your
Your hood
Hey look
What's that sound?
Everybody loves foolin' around
Hey look
What's that sound?
Everybody loves foolin' around
