

# Never Say Die

## Black Sabbath

People going nowhere  
Taken for a ride  
Looking for the answers  
That they know inside  
Searching for a reason  
Looking for a rhyme  
No-one is innocent  
Partners in crime  
Don't they ever have to worry?  
Don't you ever wonder why?  
It's the part of me that tells you  
Oh don't you ever  
Don't never say die  
Never, never, never say die again  
Someday satisfaction  
Madness on the rise  
Truth is on the doorstep  
Welcoming the lies  
All dressed up in sorrow  
Got no place to go  
Hold back, and do it baby  
Taking it slow  
Don't they ever have to worry?  
Don't you ever wonder why?  
It's the part of me that tells you  
Oh don't you ever  
Don't never say die  
Never, never, never say die again  
Don't you ever say die  
Don't you ever say die  
Never say die, never say die  
Painted silver lining  
writing's on the wall  
Children get together  
You can save us all  
Future's on the corner  
Showing us the time  
Slow down, turn around  
Everything's fine  
There's no need to have a reason

There's no need to wonder why  
It's the part of me that tells you  
Oh, don't you ever  
Don't never say die  
Never, never, never say die again
