Forgiven (Oliver Lieb Mix)

Sylver

I still regret I turned my back on you
no one makes me feel the way you do
never ment to cous you trouble
never ment to do you harm
I was weak and by temptations wing of charmI want to be forgiven
I want to hold you in my arms again
to be forgiven
cause that's the lead of friend x2
I want to be forgivenallmost drowning in a sea of sinth
can you eas the pain
I feel with in
never ment to cous you trouble
never ment to do you harm
I was weak and by temptatinons wing of charmI want to be forgiven
I want to hold you in my arms again
to be forgiven
cause that's the lead of friend x2
I want to be forgivennever ment to cous you trouble
never ment to do you harm
I was weak and by temptations wing of charm x2I want to be forgiven
I want to hold you in my arms again
to be forgiven
cause that's the lead of friend x3
I want to be forgiven
