Won't Let Go

Travis Greene

You fill me up
Strength for the journey
Always enough
When I am lonely You're there
Everything I need
Love all around
You'll never leave me aloneWhen I'm ready to give up
Lord, You won't let me
Oh, You keep holding me
When I'm ready to give up
Lord, You won't let me
Oh, You keep holding me
Still at the end
You came to find
You've been a friend
Never deny me Your hand
And whenever
I'm in need
Goodness and mercy
Shall follow me, I'm not aloneWhen I'm ready to give up
Lord, You won't let me
Oh, You keep holding me
When I'm ready to give up
Lord, You won't let me
Oh, You keep holding me
When I'm ready to give up
Lord, You won't let me
Oh, You keep holding me
When I'm ready to give up
Lord, You won't let me
Oh, You keep holding meYou won't let me go
You got me, I know
There is safety in Your arms
You won't let me go
You won't let me go
You got me, I know
There is safety in Your arms
You won't let me go
You won't let me go

You got me, I know
There is safety in Your arms
You won't let me goWhen I'm ready to give up
Lord, You won't let me
Oh, You keep holding me
When I'm ready to give up
Lord, You won't let me
Oh, You keep holding meNever let me go
Never let me go
There is safety in Your arms
You won't let me go
Never let me go
Never let me go
There is safety in Your arms
You won't let me go
