My Valuable Hunting Knife

Motion City Soundtrack

I want to start a new life
With my valuable hunting knife
She will shine like a new girl
And I want to shout out our love to the worldHey!
Everything I think about, I think about
And everything I talk about, I talk about with you
But you don't know what I go through
You don't know, noDays, they will turn into nights
With my valuable hunting knife
It will not rust through the tears
And it will not lose its appeal over yearsCome on!
Everything I think about, I think about
And everything I talk about, I talk about with you
But you don't know what I go through
No, you don't know, noNow I'll never know
Now I'll never know
Now I'll never knowAnd I will run and I will
And I will hide and I will
And I will run and I will
And I will hideNow I'll never know
Now I'll never know
