

In Your Name (feat. Isa Fabregas)

Victory Worship

Intro
When life is overwhelming
And fear is all i feel
Your word that lives inside me
Reminds me You are here
My hope You restore
Your promise is sure
And I am convinced
That You are faithful
All things are possible
In Your name
All things are possible
In Your name
The stars they hold Your promise
You guide me through the night
My heart is set to worship
My great reward is Christ
Pre-chorus
All shadows are lost
Your light breaking through
Shaken no more
I see only you
I see only you
I see only you
All things are possible
In Your name
All things are possible
In Your name
