

Shenandoah

E-Rotic

When Shenandoah dies
Tears of lie fall down to us.
In its soul will break the curse.
Cause Shenandoah dies for you.Cause Shenandoah dies.Dance when the moon is pale.
Come and listen to an ancient tale.
God made spirit of dark
And put the evil in our hearts.
We can find the love.
Our dreams become a snow white dove.
And you will see how it flies
When Shenandoah dies.When Shenandoah dies
Tears of lie fall down to us.
In its soul will break the curse.
And eagles fly the skies
When Shenandoah dies
All the world will find its peace
And drums will fall and kiss
Cause Shenandoah dies.
