

Whole Again

Play

If you see me walkin' down the street
Staring at the sky and draggin' my two feet
You just pass me by, it still makes me cry
But you can make me whole again If you see with another guy
I'm laughin' and I'm jokin' tryin' to get by
I won't put you down, 'cause I want you around
You can make me whole again Lookin' back on where we first met
I can not escape and I can not forget
Baby, you're the one, you can do no wrong
You can make me whole again
Time is layin' heavy on my heart
Seems I've got too much of it, since we've been apart
My friends make me smile if only for while
You can make me whole again Lookin' back on where we first met
I can not escape and I can not forget
Baby, you're the one, you can do no wrong
You can make me whole again For now i'll have to wait
But baby, if you change your mind
Don't be too late, 'cause I just can't go on
It's already been too long
But you can make me whole again Lookin' back on where we first met
I can not escape and I can not forget
Baby, you're the one, you can do no wrong
You can make me whole again
Lookin' back on where we first met
I can not escape and I can not forget
Baby, you're the one, you can do no wrong
You can make me whole again
Baby, you're the one, you can do no wrong
You can make me whole again
