

In a World Like This

Backstreet Boys

You've got me wide open,
Wide open,Â now I'm yours
You found me heartbroken
Heartbroken, on the floor
Became my salvation
SalvationÂ through the war, yeah
You got me wide open
Wide open, now I'm sureIn a world like this where some back down
I, I, know we're gonna make it
In a time like this where love comes 'round
I, I, know we're gonna take it
In a world like this where people fall apart
In a time like this where nothing comes from the heart
In a world like this, I've got youAnd now I'm free falling,
Free falling,Â in your eyes
You got me still calling,
Still calling,Â no surprise
I never knew I could love 'til the
End of time, yeah
And now I'm free falling,
Free falling by your sideIn a world like this where some back down
I, I, know we're gonna make it
In a time like this where love comes 'round
I, I, know we're gonna take it
In a world like this where people fall apart
In a time like this where nothing comes from the heart
In a world like this, I've got youYeah
In a world like thisYou got me wide open,
Wide open, yeah
And now I'm free falling
Free fallingHey, yeah, yeah
Yeah yeahÂ
In a world like
In a world likeÂ 'cause I got you
In a world like thisIn a world like this where some back down
I, I, know we're gonna make it
In a time like this where love comes 'round
I, I, know we're gonna take it
In a world like this where people fall apart

In a time like this where nothing comes from the heart
In a world like this, I've got you
