

Gotta Have Your Lovin

New Edition

Gotta have your lovin', baby I've got to have the love that blew my mind
'Cause girl, you really are one of a kind I need it (I need it), I want it (I want it)
Gotta have your love (gotta have your lovin', baby)
I need it (I need it), I want it (I want it)
Gotta have your love (your lovin' drives me crazy) When I called you up, sweet baby
Your mama said you wasn't home
I just can't take this, darlin'
I can't take bein' alone I really loved you, baby {i really loved you, baby}
And I thought you loved me too {i thought you loved me too}
How could you do this, darlin' {how could you do this, darlin'}
It seems to me that we are through
Girl, I can't even sleep
But all this for you i'm gonna keep
Girl, i'm not cry
Girl, here's the reason, the reason why I need it (I need it), I want it (I want it)
Gotta have your love (gotta have your lovin', baby)
I need it (I need it), I want it (I want it)
Gotta have your love ('cause your lovin' drives me crazy) You really got me, baby
Under your spell
I really wonder, darlin'
I wonder can you tell I really loved you, baby {i really loved you, baby}
And I thought you loved me too {i thought you loved me too}
How could you do this, darlin' {how could you do this, darlin'}
It seems to me that we are through
Girl, tell me where do I stand
Tell me do I really stand a chance
I need a little more of your romance
Girl, you really got me in a trance I need it (I need it), I want it (I want it)
Gotta have your love (gotta have your lovin', baby)
I need it (I need it), I want it (I want it)
Gotta have your love ('cause your lovin' drives me crazy) I need it (I need it), I want it (I want it)
Gotta have your love (gotta have your lovin', baby)
I need it (I need it), I want it (I want it)
Gotta have your love ('cause your lovin' drives me crazy) Believe in me, i'm yours can't you see
