Brighter

The Boxing Lesson

We've been knowing each other
For many a year, it's true
And I can't think of anyone else
Can make me feel as good as you
Yeah you, you make my day
A little bit brighter in every way
I'm so glad to have you
In this old troubled time
When true love and understanding, child
Are so hard to find
Yes you, you make my way
A little bit brighter every day
Some people live in darkness
Their whole life through
I just know that I'd have been one of them
If it hadn't have been for you
Now sometimes I feel afraid
As we all tend to do
But I think of the loving good times we've had
And I know we're gonna make it through
'Cause you, you make my day
A little bit brighter in every way
Hey, hey
Now you, you make my day
Hey, a little bit brighter in every
Every, every, every way
Now you, you make my day
A little bit brighter in every way
You make my day
