

# You Are My Freedom

## Citipointe Live

### VERSE:

Your mercy flows  
Like a river wild  
A flood of love  
That will never run dry  
Pierced my heart  
With eternal life  
Opened my eyes  
To the glory of Christ

### PRE CHORUS:

Always faithful  
Even if the love of all grows cold  
Always by my side  
Even in the darkest valleys of life

### CHORUS:

You, tore down these prison walls  
Calmed the raging storm  
You are my freedom now  
You, the bright morning star  
Defender of my heart  
You are my freedom now

### BRIDGE:

All glorious, All glorious  
Come breathe on my life  
All glorious, All glorious  
Come reign in my heart
