

I'm So Curious

Britney Spears

Break:

So curious

So curiousFirst Verse:

I'm so curious

About our love

I don't understand

Why you don't take my hand

And tell me you care (You care)

I see all the signs

But if you wanna be mine, don't leave me up in the air (Oh baby)Bridge:

You better let your love show

Here's what I'm telling you:

Let me know

Let me goChorus:

I'm so curious

Do you love me?

Do you wonder the way that I do (I do)

I'm so curious

What do you think of me?

Boy am I just a game

Or do you feel the same as I doBreak:

So curious

So curiousSecond Verse:
