

Land of Ladies

Brothers Johnson

Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?Would you like to be
In the land of ladies?
Yes, I'd like to be
In the land of ladiesPretty girls everywhere
Black and blond silky hair
Women carved into rocks
Sexy girls sure to give you a shotWouldn't you like to be
In the land of ladies?
Yes, I'd like to be
In the land of ladiesFoxy girls everywhere
Black, blond, brown silky hair
Women carved into rocks
Sexy girls sure to give you a shotHey, hey, hey
Land of ladiesWould you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
Would you like to come with me to the land of ladies?
