

# Could You Ever

C21

Please forgive what I said  
All my words I regret  
Hope you never ever let go  
Now I know I needed you so  
Tears are drowning my heart  
I need you to  
Tell me tell me baby[Chorus]  
Could you ever love me again  
If I say that I'm sorry  
Could you ever hold me  
The way we used to hold each other  
Would you ever trust me same  
If I say that I'm sorry  
Could you ever love me again I softly whisper your name  
Don't want to burn out the flame  
I never ever doubted my mind  
When there's a mountain to climb You got the words in your heart  
I need you to  
Tell me tell me baby[Chorus] I want you close  
Closer than close  
Could you ever love me again
